

3 Courses

Introduction to R  
Programming and Tidyverse

Data Analysis with Tidyverse

R Programming and  
Tidyverse Capstone Project

University  
of Colorado  
Boulder

Jul 24, 2023

**Carl Klein**

has successfully completed the online, non-credit Specialization

# Expressway to Data Science: R Programming and Tidyverse

In this specialization, learners used R and the tidyverse to import data from external repositories or local CSV files, clean and transform data for analysis, construct visualizations, and document and reflect on their analysis using RMarkdown. The specialization concluded with learners completing a semi-guided data analysis capstone project.
